## WELCOME BACK

Dear Team Secretaries,

Thank you for all your efforts in keeping your teams on track with results, highest away scores and such like – never be afraid to ask questions if you are uncertain about anything as we move along into our new 2024-2025 Season.

I will always let you know officially if anyone must change alleys or if a team drops out – don't rely on rumours, sometimes they might not be correct.

We are looking forward to a great season and happy banter on Facebook, quite a few skittlers having played for 50 years now, so some celebrations will be coming along the way.

Quite a bit of shifting around to different alleys – enjoy the change, and don't forget there is a trophy for the Highest Away Score both in the League and the Charity Cup run to be won at the end of the Season.

We are looking forward also to holding the Front Pin Tournament in 2025 – still some little sponsor slots free, further details from me, but any offers are welcome.

Please note that we have tweaked the rules – you can still play 1 or 2 players for the second time to get you to 12 players overall, but, and it is a big but, it must be the 1 or 2 lowest scoring players who do that. The alley will have warmed up by then and they may floor more the second time round – but that's just how it goes.

Enjoy your games – and here is what is now in the rules.....

### **E2a NEW WORDING**

***Team captains to declare the number of players they are fielding prior to the start of the game. (The game format is 12 x 12).***

***However, teams unable to field a full side i.e. 2 players short, may then nominate the 2 lowest scoring players only, to play again on the last leg.***

***If the team is 1 player short, then the lowest scoring player may be nominated to play again on the last leg.***

***If more than 2 players tie on the lowest score, the team playing short should nominate their 1 or 2 players from those tied positions.***

***In the event that the two lowest scoring players have totally left the game for the purpose of going home or going to work, their scores should be entered onto the result card.***

All the best

Charmian
